

WHAT PARENTS NEED TO KNOW

YOUR CHILD IS STILL THE SAME

A diagnosis doesn't change who they are; it simply helps you understand them better.

EARLY INTERVENTION HELPS

Therapies and structured support can make a big difference in a child's development.

YOU'RE NOT ALONE

Many parents have been in your shoes. Connecting with support groups can be life-changing.

TIPS FOR NAVIGATING THE JOURNEY

EDUCATE YOURSELF

Learn about autism from reliable sources and professionals.

ADVOCATE FOR YOUR CHILD

Ensure they receive the right support at school and in the community.

CELEBRATE SMALL WINS

Progress may look different, but every step forward is important.
